**Dated:** 06th February 2020

**Subject:** Publication of TCF v2.0 Language Translations

Dear All,

We are pleased to announce that the TCF v2.0 Language Translations for the names and definitions of TCF v2.0 purposes, special purposes, features, special features and stacks have been published and can be viewed here

The translations cover 25 languages that have been requested by the community.

When using the translations you are reminded of TCF Policy

*23 (5). A Publisher must not modify, or instruct its CMP to modify the Purpose, Special Purpose, Feature, or Special Feature names, definitions and/or their translations, or Stack names or their translations.*

Any questions then please email framework@iabeurope.eu
